This publication is provided to assist members in preparation for the TEA Board election which will be concluded on **February 17, 2010**. Candidates were asked to provide a 50-word campaign statement, along with information about their background and their leadership activities in TEA, AEA and NEA.

Pledge-to-serve forms will be sent out for ESP Director At Large one-year positions, but it will not be necessary to do so for the Ethnic Minority at Large positions because, regardless of the outcome of the Region 1 Director elections at the AEA Delegate Assembly, the ethnic minority composition on the board meets the proportion of the TEA membership through the regularly-elected positions.
